

Take notes for your final project teaching how a theme or motif or symbol is used in the film. Write down moments when the film touches on the following themes or symbols. Record what was said, what happened, what kind of shot was being used, what the lighting was like, what sound is used, or anything else the filmmakers used to create your experience.

The idea of neutrality				
The dream of America				
The return of the past				
The role of luck				
the experience of exile				
The spotlight				
The piano
