Topic /Presenter(s)

## Initial Questions:

What is it? What did it do?  
Where did it happen? Who was involved? When did it happen?  
You may use these verbs:  
describe, identify, list, show, summarize

Write 2 questions dealing with initial understandings based on the multimedia presentations:

## Making Connections:

Go beyond initial understandings by relating this information to what you know of America before 1800. Use verbs below as the basis of your questions:  
categorize, classify, compare similarities, contrast differences, discover cause and effect, explain, generalize, predict, illustrate

Write 1 question that aims at understanding how the events or forces or people in this presentation may be alike or different from those from the earlier periods we have studied:

## Going Deep:

What does it mean?  
Why did it happen that way?  
What were the consequences?  
What will happen next?  
What caused this?  
What are the implications?

Write 2 questions specifically about this presentation that are based on the deep questions to the left:
